

Southern Nevada Guild of the Catholic Medical Association

Fall Quarterly Lecture

SEPTEMBER 5th, 2024

6:00pm-8:30pm

St. Anthony of Padua Roman Catholic Church
6350 N Fort Apache Rd, Las Vegas, NV 89149

The CMA Quarterly Lecture series brings together Catholic healthcare professionals and those interested in Catholic bioethics to grow in their understanding of church teaching and how it applies to their daily lives. The night also includes time in adoration of the Blessed Sacrament to grow in relationship with Jesus and opportunities to socialize with other Catholics passionate about healthcare, medicine, and bioethics.

We are excited to have Deacon Dr. Callister from the Diocese of Reno to speak on the Catholic consistent life ethic, particularly in light of the abortion amendment on the ballot this fall. Deacon Dr. Callister is a board-certified internal medicine and hospitalist specialist who is nationally recognized as an expert in hospital care transitions and end-of-life care.
